

Bass River Township Related Notations
from “Martha- The Complete Furnace Diary & Journal: 1808 – 1815”, edited by Henry H. Bisbee

Note: Prior to 1802, the Martha-Harrisville area was a part of Little Egg Harbor Township. Martha became part of Washington Township in 1802 when Washington Township was formed from Evesham, Little Egg Harbor and Northampton townships and, in 1864, a part of Bass River Township which was formed from parts of Washington Township (Martha and Harrisville area) and Little Egg Harbor.

Bass River

BASS RIVER - *This village was located where the Tuckerton stage road crossed the West branch of Bass River. During diary years local court held here. (Place Names, p. 101)*

Leeks Landing and Wharf

This must not be confused with John Leek's Landing at Bridgeport on the lower Wading River. There is ample proof that Leek's Landing, Leek's Wharf and the Landing were one and the same and located just below the Wading River Bridge where the Stage road crosses the river. It was on the opposite side of the river from Bodines. Isaac Potts deed of 1797 for the Martha tract states, "Beginning at a post standing by the edge of Wading River on the southwesterly side thereof and nearly opposite John Leek's Landing." (Place Names, p. 102)

5/13/1808 - Saml. Stewart hauled from **Leeks Landing** in Aftn. P. Holberts Waggon Mended. Hauled Ore in aftn. (p. 13)

7/14/1808 - The Sloop arrived. Teams hauling from **Leeks**. (p. 15)

5/19/1809 - Jno. Bodines team brought 2 load of patterns from **Leeks Landing**. (p.26)
